

Saint Sebastian Parish  
From Monsignor Gaston

Dear Parishioners,

**“Take and Eat”**

We have begun to receive the first registrations for the new 2024- 2025 “Take and Eat” Faith Formation Program. Thanks to the early birds! Please help us to get out the word about “Take and Eat” so that we begin the year with a nice turnout and good participation for our younger families with children and members of St. Sebastian and Epiphany parishioners at large. Contact Scott or Darleen with questions.

**Pastoral & Finance Councils**

I met with the St. Sebastian Pastoral and Finance Councils this week to schedule regular meetings throughout the coming year. We reviewed the purpose of the Pastoral Council to provide counsel and support to the pastor in developing priorities for the pastoral life and ministries of the parish. The role of the Finance Council is to assist in developing the parish’s annual budget and in taking greater responsibility for overseeing the parish’s plant and property throughout the year.

Blessings,  
Msgr. Gaston
