

**Saint Sebastian Parish  
From Monsignor Gaston**

Over the past several weeks we have been talking about giving online. As a parish, we have done this for a few years, so it is not new. It is an easy way for you to make your contribution to the church. It is also a way for the church to make more accurate budget projections.

Eoffering is a secure site. You can set up an account through the website. There is always the option of using this method once or regularly. You can choose when you set up the account. You can use the QR code in the bulletin or on the cards at the church pews to quickly set up the account.

If you have any questions concerning online giving or setting up your account, please call the office.

Blessings, Msgr. Gaston
